

Magic Valley Aeromodelers LLC

Meeting Minutes February 2026

Meeting called to order at 7:00 PM 21 members present 1 guest

Treasurer's Report:

\$8,266.27

Maintenance Report:

Some of the table positions have shifted after the last big wind storm. They will be repositioned when enough able bodies are present to lift them. There was discussion of finding some used carpet or other material to provide a place to belly land gliders and smaller planes without wheels. Keep your eyes open for possible sources.

Safety Report:

No items to report.

Training Report:

Trent McBride joined the club at the meeting and will receive training from Kim Tillery.

Old Business:

None.

New Business:

Bill Eberlein mentioned that the World Championships for F1D (Indoor rubber powered endurance) will be held at the Kibbie Dome in Moscow, Idaho June 15-20, 2026. The event organizers are looking for volunteers that will be provided a dorm room and lunch each day. More information in the January Model Aviation magazine or at f1d2026.org.

Bill also mentioned that National Model Aviation Day will be 8/22/2026 this year and suggested our club do something to commemorate it.

Cris Brose said that anyone interested in slope soaring can contact him. (chrisbrose@yahoo.com). He has suggestions for starter aircraft and can put you on a contact list for when the soaring group is headed for the South Hills to fly.

The gate code will change February Tuesday 2/10/2026. All members with paid up 2026 dues will receive an email with the new code Tuesday morning.

We elected 2026 club officers. Kim Tillery stepped down as Vice President and Steve Lincoln was elected the new Vice President. All other current officers remain in place by unanimous vote of the members present.

President-	Allen Cummins	(208) 308-6589
Vice President-	Steve Lincoln	(208) 731-3148
Treasurer-	Mark Metge	(208) 293-7038
Secretary-	Bill Eberlein	(208) 320-3629

Show and Tell:

Chris Brose - 3-D printed Pilatus. Discussion of 3-D printing followed. 5 members present are into 3-D printing.

Raffle:

None

Auction:

No one bid on the tuned-up DX-8. If you are interested in it, contact Steve Lincoln. It is available for \$150 which will be donated back to the club.

Meeting adjourned at 7:35 PM

Next meeting is Wednesday March 4th starting at 7 PM.

Bill Eberlein
MVA Secretary
